BANK OF GUYANA

NOTICE

As part of its commitment to the continuous upgrade of the Guyana currency notes, the Bank of Guyana will issue with effect from **Tuesday December 20, 2022** an upgraded $5,000 currency note.

This upgraded currency note keeps most of the features of the previous note but with three significant changes.

1. The removal of the DualTrack™ thread from the back of the note and also the Holographic Stripe at the front of the note.

2. The addition of a 5mm wide Pulsar™ colour shifting thread at the front of the note. The colour on this thread shifts from gold to green with dynamic movement.

3. A SPARK® Live Truspin feature around a Jaguar is placed at the front of the note which when tilted shifts from gold to green. Also, a double circle surrounding the Jaguar moves.

This new $5,000 currency note will circulate alongside the existing note of the same denomination.
