Individual Income Tax Return

Instructions & Guidelines

Who needs to submit this return?

1. Any individual who earned an income in Guyana or derived income from Guyana must report that income using this return. Where the employment or office is exercised in Guyana, tax is charged on the total amount of the income whether received in Guyana or not.
2. In the case of residents, income from outside of Guyana must also be reported. In the case of earned income which arises outside of Guyana to a person who is not ordinarily resident or not domiciled in Guyana, the tax is payable on the amount received in Guyana.
3. Every individual whose income is in excess of the applicable yearly threshold (see figures below) is required to file a return, unless the income is subject to withholding tax.
