TWELFTH PARLIAMENT OF GUYANA

FIRST SESSION (2020-2023)

NATIONAL ASSEMBLY

RESOLUTION NO. 56

WHEREAS at the 48th Meeting of the Public Accounts Committee, held on January 9, 2023, the Auditor General proposed an increase in the Manning Level of an additional three (3) Engineers in the Works and Structures Division within the Audit Office of Guyana;

AND WHEREAS the proposal for an increase came as a result of the critical role of the Works and Structures Division due to the steady increase of the National Budget. This significant increase in the number and complexity of infrastructural projects being executed across the country by the Government of Guyana has resulted in the current staffing of this Division being inadequate;

AND WHEREAS the Public Accounts Committee at the said meeting approved the proposals submitted by the Auditor General;

AND WHEREAS the Rules, Policies and Procedures Manual (Amendment) Regulations 2023 - No. 4 of 2023 sets out the new Manning Level Chart of the Audit Office;

RESOLVED,

That the National Assembly approves the new Manning Level Chart of the Rules Procedures Manual of the Organizational Structure of the Audit Office to allow for an increase of three (3) Engineers in the Works and Structure Division within the Audit Office of Guyana.

Passed by the National Assembly on Monday, 24th April, 2023.

S.E. ISAACS,

Clerk of the National Assembly
